### UV Printing technology

We use the latest UV direct printing technology to print your logo individually on our ProfiGym-Mats and YogaMats.

From a minimum order quantity of 20 pieces (per color) your mats can be produced in three different standard logo sizes. For other sizes, please contact us.

We not only offer you fast and highquality printings made in Germany but also all colours and color gradients for a great price!

### Yogamat Cortica

Art. No: 9550KO

180 x 60 x 0,4 cm

Material: Cork, Natural Rubber

The new yoga mat Cortica combines the great anti-slip properties of natural rubber mats with the pleasant natural material cork.

Cork is a very robust and durable material with antibacterial and anti-allergic properties. In addition, our cork yoga mat is made from renewable raw materials, is recyclable and therefore particularly sustainable.

You can use the mat on both sides, depending on whether you prefer more support for challenging exercises or want a warm, comfortable surface for meditation, for example.
